

Children at the contactfestival freiburg!

For a few years now, we've been offering childcare during the time of the intensive in the morning. To organize this we need to know if you wish to make your own arrangements or use our child care during the intensive.

If you want to use our childcare then we need to know the age of the children and which languages they speak.

Here are the calculated costs for children:

age	board	child care
0-2 y.	no costs	parents need to take care
3-5 y.	30 EUR	incl. child care
6-8 y.	30 EUR	30 EUR, if needed
9-11 y.	50 EUR	30 EUR, if needed
12-13 y.	80 EUR	
ab 14 y.	100 EUR	

Children from 3-11 need to have childcare: either one of the parents, one accompanying person or our offered childcare!

Intensive:

Parents who take care of their own child during the intensive, get a reduction of 50 EUR (one person).

Additional child care:

If you are interested in having childcare in the afternoon or evening, then we propose that parents organize among each other and arrange payment for the additional childcare themselves. Get in contact with Benno when you arrive at the festival, as he might be able to arrange something.

Accompanying person/partner for your child:

If you are thinking about coming with your (non-dancing) partner or childcare person then we would like to let you know that we are pushing our limits of how many people we can accommodate at the Festival. If you have important reasons to bring someone to take care of your child, then please contact us. This needs to be arranged at least 6 weeks before the festival starts.

Accommodation

We will keep an area for families on the nearby camp site. If you wish an apartment nearby for your family then contact Eckhard: [mullecki\(at\)web.de](mailto:mullecki(at)web.de)

The person to contact for parents and accompanying persons is **Benno**: [benno.enderlein\(at\)gmx.de](mailto:benno.enderlein(at)gmx.de)
